# ABOUT US

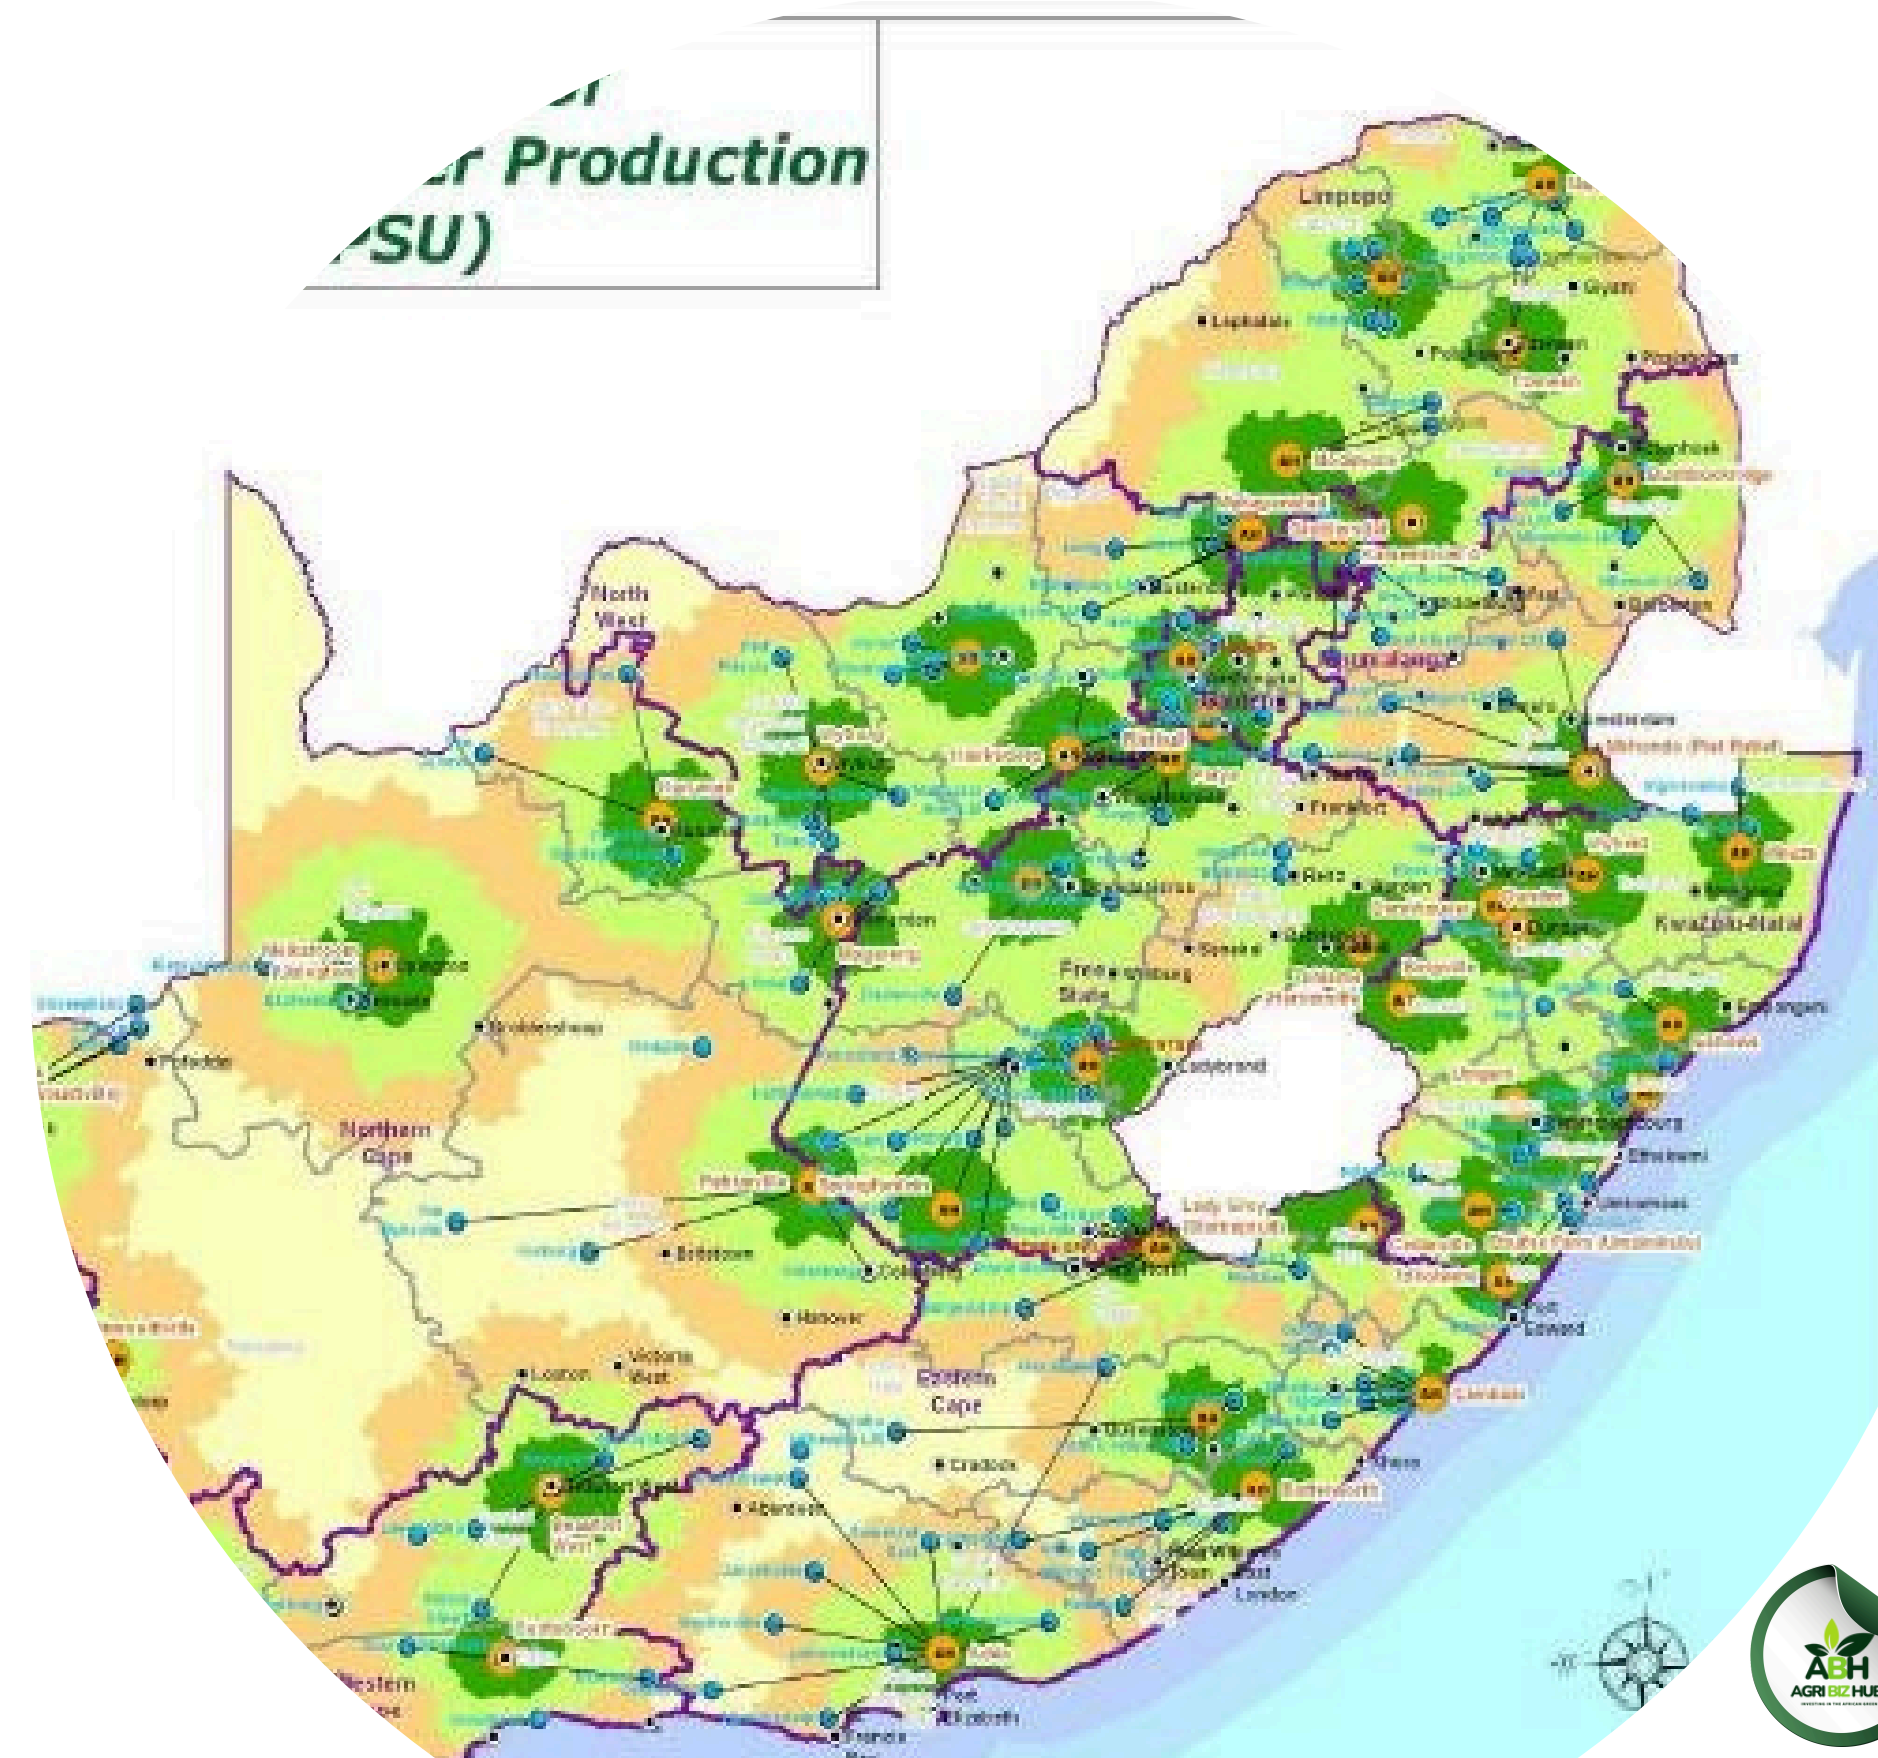

AGRIBIZ HUB AFRICA

AgriBiz Hub Africa (ABH) is a collaborative network of farmers, town and urban planners, nation builders, impact investors, and strategic partners united by a shared passion for transforming land resources into engines of rural and economic development.

Rooted in the vision of sustainable progress, ABH is committed to revitalizing villages, townships, towns, and cities by turning non-performing or underdeveloped areas into vibrant smart and sustainable AgriVillage communities.

Through strategic planning, infrastructure development, and agro-enterprise innovation, ABH seeks to unlock the full potential of land and people—driving inclusive growth, food security, and generational wealth across Africa.

Investing in the African Green.

# VISION & MISSION

## Our Vision

.....

**To transform villages, townships, towns, and cities with low or no economic activity into thriving, smart, and sustainable AgriVillage communities.**

## Our Mission

.....

**Investing in the African Green.**

AGRIBIZ HUB AFRICA

# ABH MODEL FARMS

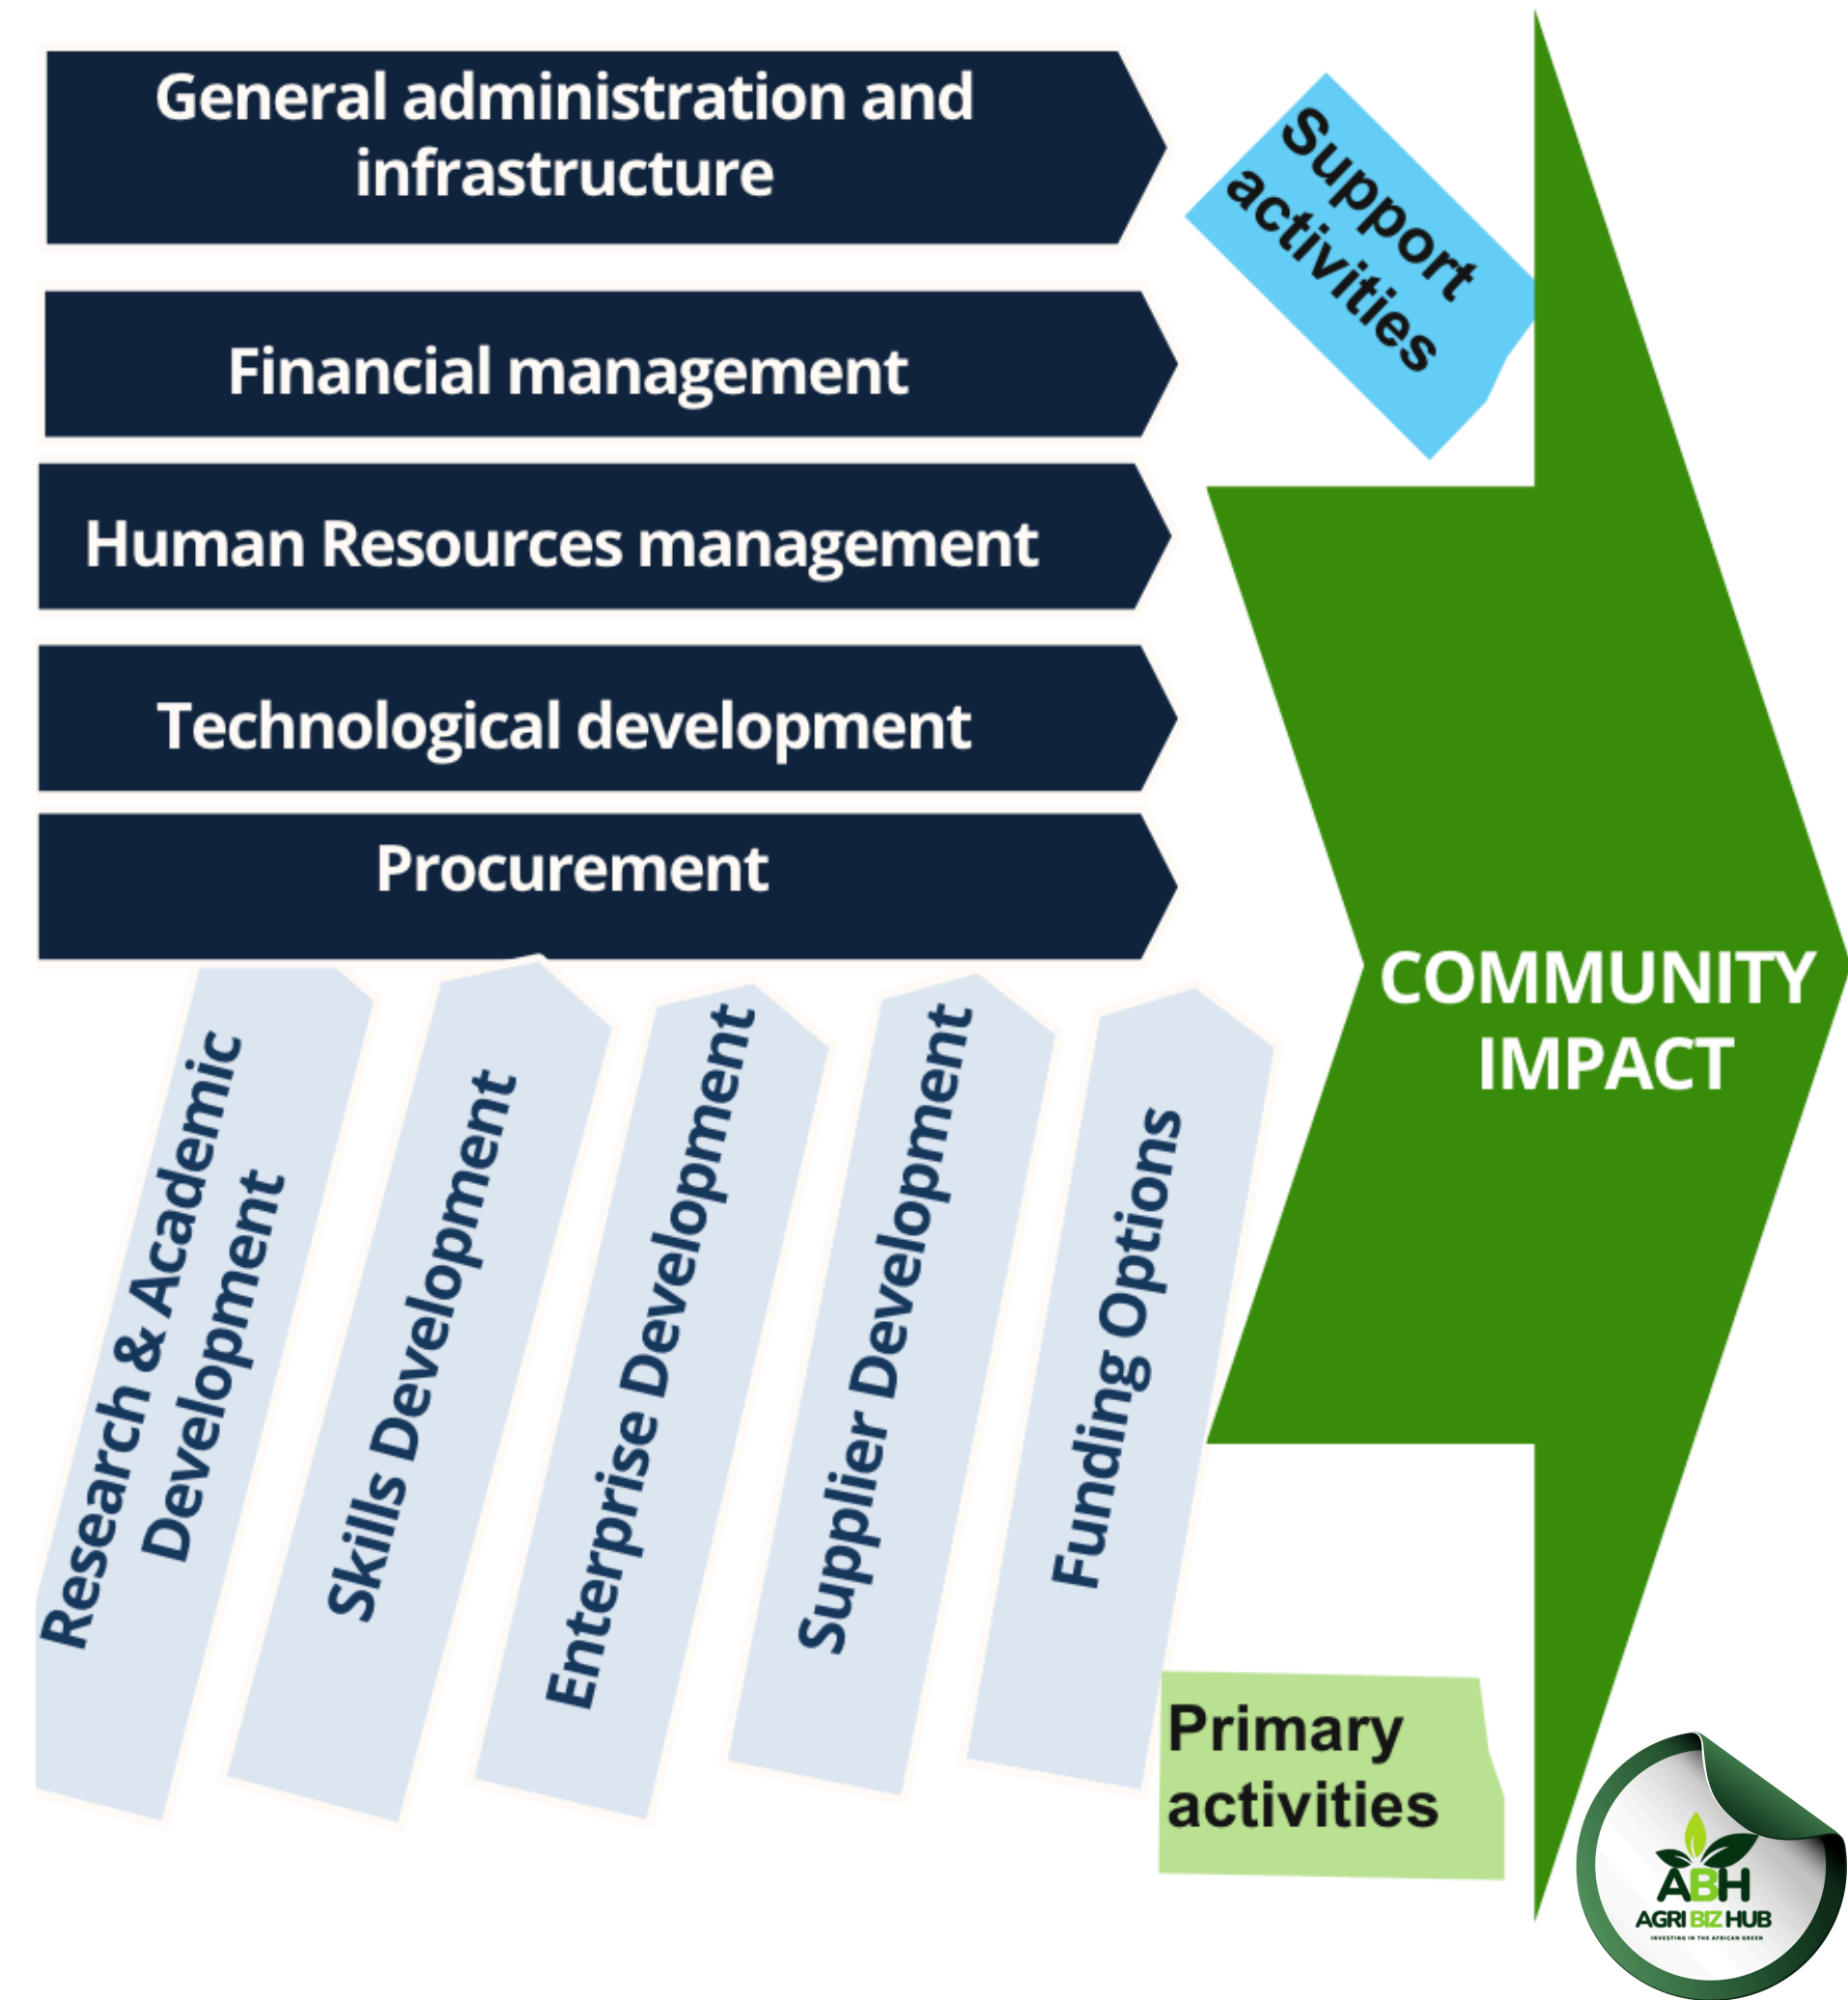

## TNE AGRIBIZ HUBS MODEL FARMS

- Our AgriBusiness Hubs provide platform where young people, women, men and people with disabilities can be given an opportunity to be trained as agripreneurs and work with our partner-farms. This allows them to be mentored, coached and trained in the business of agriculture.
- We are committed to provide candidates with training in basic farming, business, finance and leadership skills.

### WHAT WILL CANDIDATES BE DOING?

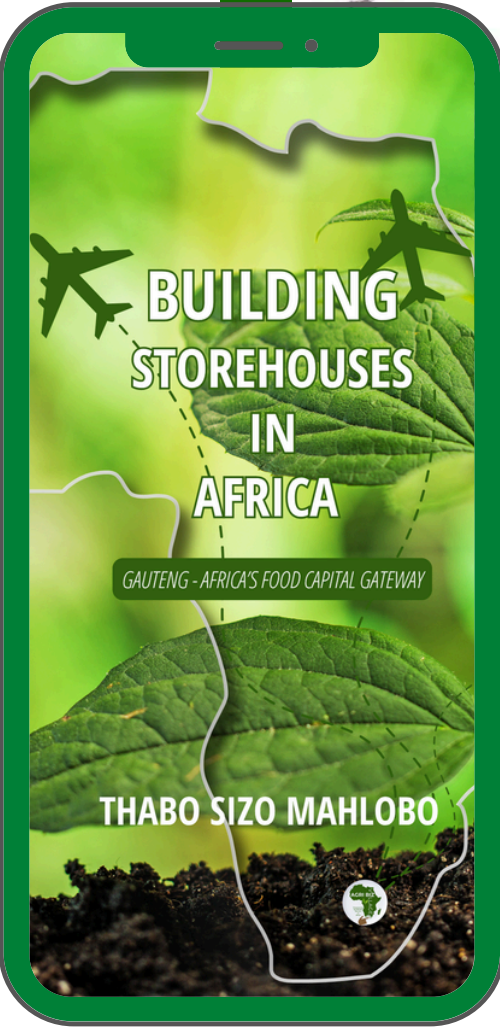

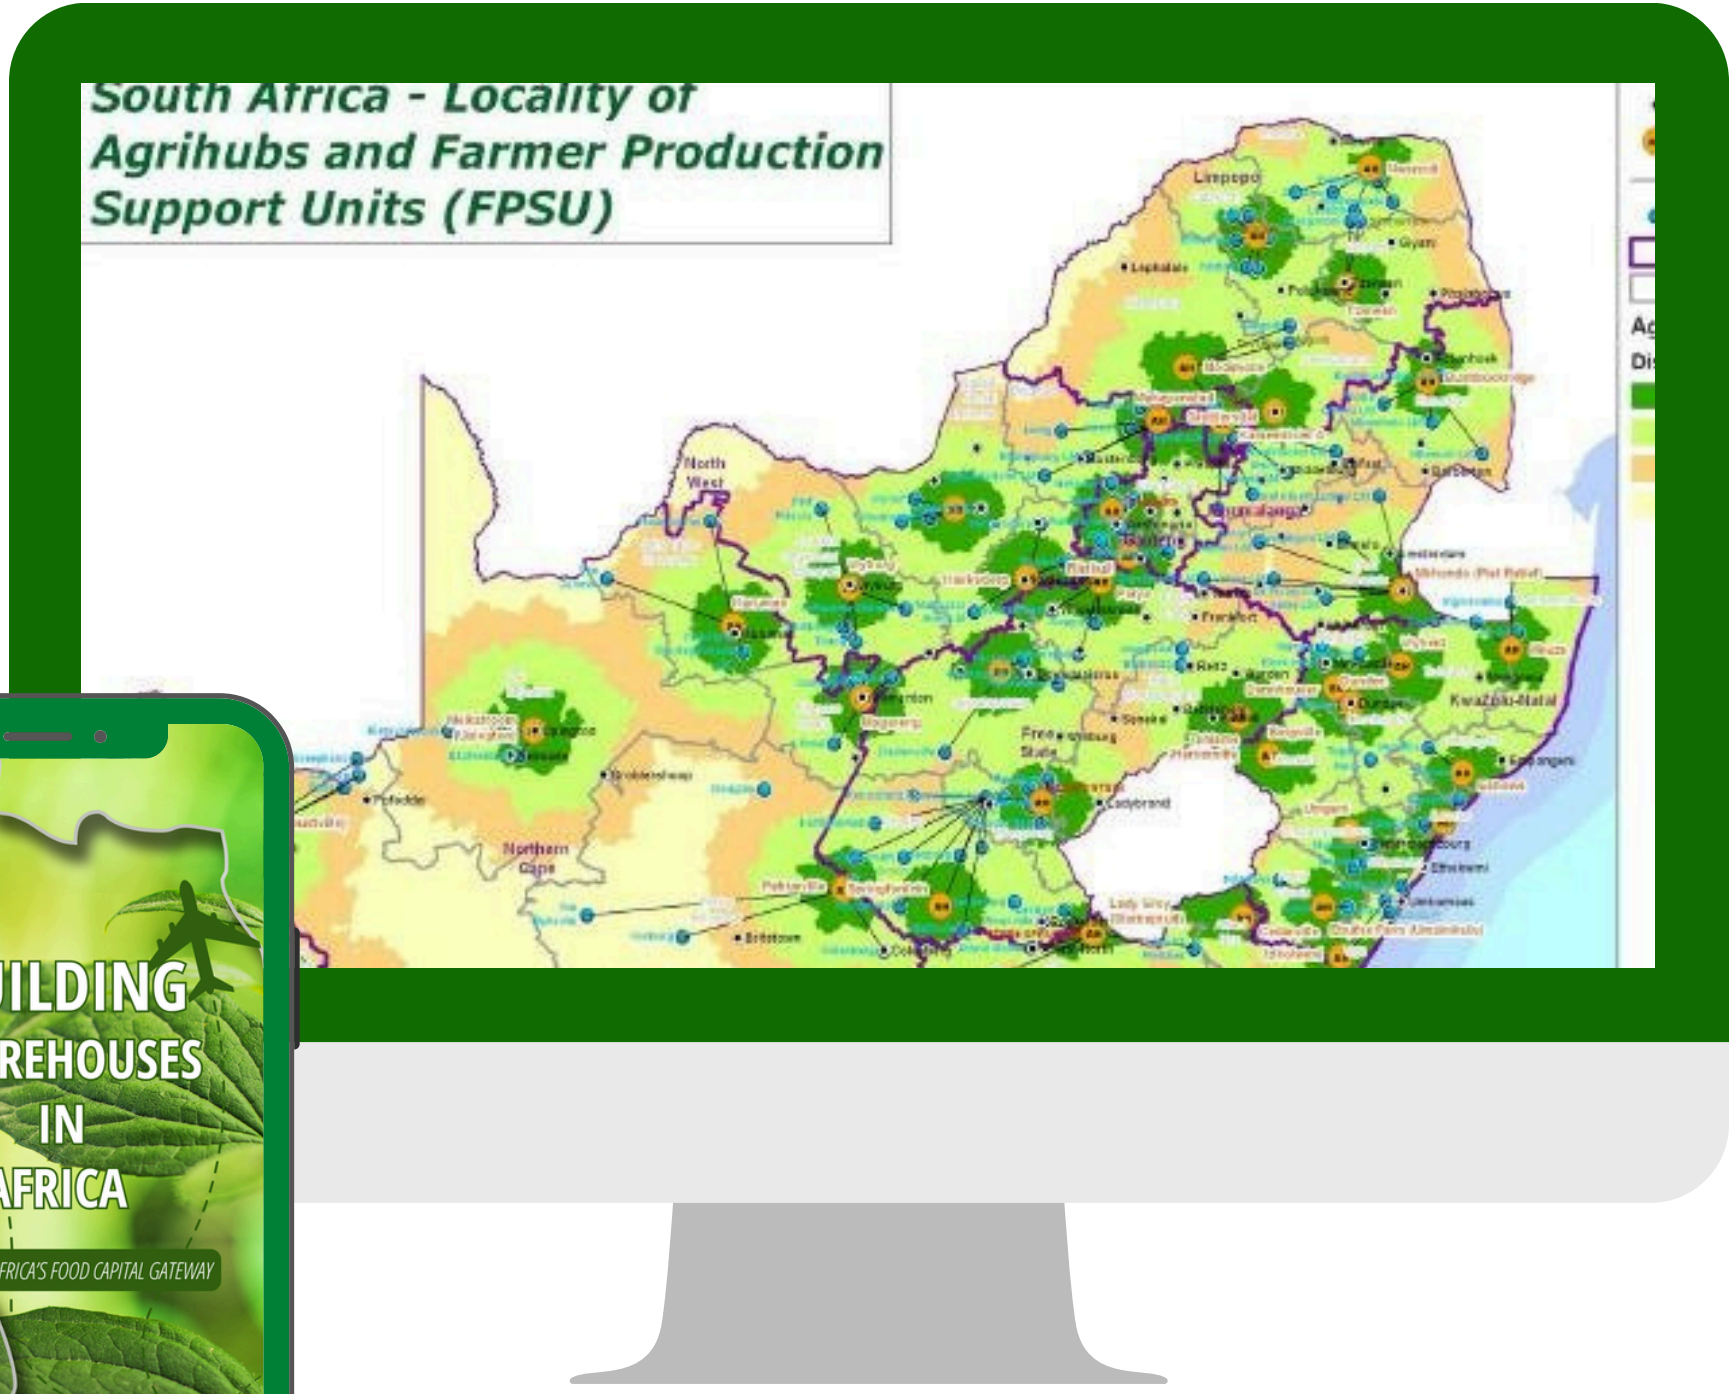

- Meet consistently with a trainer/Mentor for development
- Spend a minimum of 80 hours a month in a specific project (depending on their particular interest and skill)
- Participate in our “TNE AGRI GROUP International Conferences”
- Serve on TNE AGRI GROUP Team
- Participate in our Agriculture, Sustainability and Climate change conferences & other events
